

TWO GIRLS RUN DOWN AND HURT BY ASTOR'S AUTO

Machine Became Unmanageable and Dashed to Side of Street.

Two sixteen-year-old girls, crushed by Col. John Jacob Astor's fifty-horse power automobile, are in St. Mary's Hospital, Hoboken, today, both seriously injured, one mortally.

The chauffeur, Christopher Frick, who was driving the car in which three men were riding when it suddenly became unmanageable, and dashed up on the sidewalk along the Hudson Boulevard at Hallway avenue, West Hoboken, and ran over the girls, is held by the police to await the result of this inquiry. The three men escaped and the chauffeur says he does not know their names.

The injured girls are Angelina Ollier, who lives on the Bull's Ferry road, and Helen Kelly, who lives with her parents in Hallway avenue. Miss Ollier suffered a fracture of the skull and her breast bone was broken. She is in a critical condition. Miss Kelly's thigh was broken. At the hospital today no information as to their condition was obtainable.

Chauffeur Frick told the police conflicting stories. It is declared. He first said he was employed by "John W. Astor, of Fifth avenue, New York," and declared the girls attempted to cross the road in front of his machine and that he ran up off the sidewalk to keep from hitting them.

Called Chauffeur to Account.

There was a crowd in the police station, however, who had seen the accident and the chauffeur was promptly called to account by half a dozen persons for his alleged misstatement.

With a number of young friends the two girls were watching the many automobiles passing along the boulevard. They were far out of danger, they thought and were leaning against a picket fence. Suddenly a big machine whirling down the road changed its course and headed across the avenue directly toward them. The great searchlight shined in their faces and they were taken so by surprise that they stood transfixed to the spot. In another second the machine struck them, hurling Miss Kelly fifteen feet over the fence. Miss Ollier was not even so fortunate as her companion. She was hit by the machine, driven through the fence before it and at last when it jammed into a building and stopped, she was held fast under it. The other girls who had been standing about jumped out of the way just in time.

Three Men Ran Away.

The three men in the auto ran away. But the chauffeur was surrounded by the injured girls' relatives and friends. He waited till the police came, when

Oren Root, Jr., Reported to Be Engaged to Miss De Acosta

Miss Ada De Acosta

Oren Root, Jr.

Society is much interested in the report that Miss Ada De Acosta, of No. 48 West Forty-seventh street, and Oren Root, Jr., General Manager of the New York City Railway, are to be married. Although nothing officially has been announced, members of the De Acosta family will make no positive denial that the engagement exists. Miss De Acosta is the daughter of Ricardo De Acosta. She is a fearless housewife, and has had adventures as a balloonist, having been a pupil of Santos Dumont. Mr. Root is a nephew of the Secretary of State.

S.S.S. PURELY VEGETABLE

In the roots and barks of the different trees, and in the herbs and various shrubbery which Nature has placed at our disposal, are to be found healing, cleansing extracts and juices, which when properly mixed and compounded furnish to the blood and system the properties necessary to rid our bodies of disease and keep us strong, robust and healthy. In the time of our forefathers, when this land was little more than a wilderness, the forests and fields were the only laboratories from which they could procure their medicines and tonics. Their necessity has been our blessing, for they searched out and compounded these vegetable materials into teas, concoctions and medicines, many of which have been handed down to succeeding generations to bless them with their health-giving and health-sustaining qualities.

Among the very best of these preparations is S. S. S., a medicine made entirely from nature's roots, herbs and barks in such combination as to make it the best of all blood purifiers and the greatest of all tonics. We use annually nearly a million pounds of these roots, herbs and barks in the manufacture of S. S. S. alone. These are not purchased indiscriminately, but are obtained from the woods and fields under the direct supervision of our own botanists, and when they reach our laboratory contain all their natural blood-purifying and tonic properties.

The absolute safety of S. S. S. has always been one of the greatest points in its favor. Being purely vegetable, it may be used without harm by young or old.

When the system is infected with the germs of disease, it needs every particle of its recuperative strength to assist in removing the poisons and impurities which are causing the trouble. It should not be dosed with strong mineral mixtures and concoctions, which further add to the burden by disagreeably affecting the stomach and bowels, impairing the digestion, or perhaps eating out the delicate tissues of some vital organ. The only safe course to pursue is to use a remedy of guaranteed vegetable purity, and such a medicine is S. S. S.

For Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Skin Diseases, and all other troubles caused by impure or poisoned blood, S. S. S. is a perfect remedy. It goes down into the circulation and removes all poisons, impurities, humors or waste matter, and makes this life stream pure and health-sustaining. Nothing reaches inherited blood troubles like S. S. S. It removes every particle of the taint, purifies and strengthens the weak, deteriorated blood, and establishes the foundation for good health. As a tonic S. S. S. has no equal, and it will be found especially adapted to weak, anemic persons. This medicine is not an experiment but a successfully proven, prompt and gentle acting remedy which was used by our ancestors, and being made by the same formula now it is still giving satisfactory results in the cure of blood and skin diseases of every character. Book on the blood and any medical advice free of charge to all who write. S. S. S. is for sale at all first class drug stores. **THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.**

New Melba Records

for the Victor Talking Machine are vastly superior to the old ones, which sold for \$5 each—come in and hear this marvellous reproduction of the great prima donna's most beautiful songs. Phonograph Store.
